an intelligent discussion of the foundations and methods in ethics and ways to apply a christian worldview to our secular culture

the common good and christian ethics rethinks the ancient tradition of the common good in a way that addresses contemporary social divisions both urban and global david hollenbach draws on social analysis moral philosophy and theological ethics to chart new directions in both urban life and

global society he argues that the division between the middle class and the poor in major cities and the challenges of globalisation require a new commitment to the common good and that both believers and secular people must move towards new forms of solidarity

how does christian belief and practice relate to living well amid the difficulties of everyday life and the catastrophes and injustices that afflict so many today in his introduction to christian ethics bretherton provides a new constructive framework for addressing this question connecting the theory and practice of christian moral thought to contemporary existential concerns this book integrates classic approaches to the pursuit of wisdom with contemporary liberationist and critical voices the relationship between human and nonhuman life provides a central focus to the work foregrounding environmental justice as well as addressing a broad range of ethical questions bretherton situates moral formation and the pursuit of human and nonhuman flourishing alongside a concern for spirituality pastoral care and political struggles to survive and thrive in the contemporary context written for those seeking a place to start as well as those seasoned in the field bretherton's book provides an innovative ethical framework that moves beyond many of the impasses that shape current moral and political debates

a comprehensive introduction to christian ethics addressing today's most challenging moral issues invitation to christian ethics is an indispensable guide for helping pastors counselors and everyday christians navigate today's difficult moral questions readers will benefit from ken magnuson's survey of ethics from a biblical perspective as well as contemporary theories of moral reasoning this survey is followed by twelve chapters devoted to some of the thorniest issues christians encounter today such as sexuality including homosexuality sexual identity and gender marriage and divorce infertility and assisted reproductive technologies abortion physician assisted suicide race relations creation care capital punishment just war pacifism and the use of lethal force magnuson provides biblical insight into each topic and presents key moral considerations he also answers specific practical questions that arise and concludes with a summary of his recommended approach to each issue readers will learn how to grapple with difficult moral questions and will receive guidance for some of life's most challenging ethical conundrums

introducing christian ethics helps christians form a sound basis for making ethical decisions in

today's complex postmodern world raising 14 key ethical questions on today's most pressing issues including abortion war sexual ethics capital punishment and more scott rae guides his readers in making moral choices wisely based on the best selling college and seminary ethics textbook moral choices this book distills nearly two decades of teaching and study into a succinct and user friendly volume it is an ideal primer for pastors students and everyday christians who desire engagement with the world around them in an intelligent and informed manner teaching and study resources for the book including additional video clips based on the questions corresponding to each chapter make it ideal for use in the classroom as well as for pastors and for teaching settings within the church resources are available through zondervanacademic.com

what does the bible teach about how to live in today's world how should christians live when the surrounding culture is increasingly hostile to christian moral values granted the bible is our guide but how can we know if we are interpreting it rightly with regard to ethical questions about wealth and poverty marriage and divorce birth control abortion euthanasia homosexuality ethical business practices environmental stewardship and dozens of other issues and on a very practical level how can we know god's will in the ordinary decisions of life to address questions like these wayne grudem author of the bestselling book systematic theology draws on 40 years of teaching classes in ethics to write this wide ranging introduction to biblical moral reasoning organized according to the structure of the ten commandments he issues a challenging call for christians to live lives of personal holiness and offers a vision of the christian life that is full of joy and blessing through living each day in a way that is pleasing to god written by wayne grudem bestselling author of systematic theology and the what the bible says about series biblical and applicable teaches readers how to protect 7 central tenets of god's law god's honor human authority life marriage property truth and purity of heart accessible an ideal textbook for christian college and seminary ethics classes with straightforward language and a bibliography for the topic at the end of each chapter replaces isbn 978 1 4335 4965 6

earth is changing in ways it hasn't for hundreds of thousands of years at the same time christianity is breaking away from its millennium long geographical and cultural center in the euro west its growth is in asia africa and latin america primarily in pentecostal evangelical and independent churches these dramatically changed planetary and ecclesial landscapes have led many to conclude that

we need a new way of thinking about our collective existence who are we and what is the nature of our responsibility in this deeply altered world to address that question biblical scholars bruce c birch and jacqueline e lapsley and christian ethicists larry l rasmussen and cynthia moe lobeda carry on a new conversation that engages how christians are to understand the authority and use of scripture the basic elements of any full bodied christian ethic attuned to our circumstances and the nature of our responsibility to our planetary neighbors and creation itself

stanley j grenz masterfully leads readers into a theological engagement with moral inquiry that is a first rate introduction to christian ethics

kieran cronin helps philosophers and theologians to understand each other s perspectives on rights making this book a significant contribution to christian ethics and moral philosophy

christian ethics the basics sets out clearly and critically the different ways that augustine aquinas and luther continue to shape ethics today within and across christian denominations it assumes no previous knowledge of the subject and can be read by religious believers and non believers alike readers are introduced to christian ethics from the ground up before being invited to consider some of the most controversial but important questions facing people across the world today topics addressed include social justice war and peace migration immigration climate change euthanasia same sex marriage religiously inspired violence biotechnology abrahamic ethics concise readable and authoritative this is the ideal primer for anyone interested in the study of religious ethics and christianity

this general introduction to christian ethics looks at all the major themes in fundamental and applied moral theology and investigates a range of issues including the role of the bible social and interpersonal ethics and euthanasia

stanley hauerwas presents an overall introduction to the themes and method that have distinguished his vision of christian ethics emphasizing the significance of jesus life and teaching in shaping moral life the peaceable kingdom stresses the narrative character of moral rationality and the necessity of a historic community and tradition for morality hauerwas systematically develops the

importance of character and virtue as elements of decision making and spirituality and stresses nonviolence as critical for shaping our understanding of christian ethics

in this excellent outline of christian ethics robin w lovin achieves a balance between the questions and issues which form the core of the study of ethics and the life situations from which those questions arise eschewing a sectarian approach which dismisses other understandings of the moral life lovin nonetheless lays claim to a specifically christian understanding of ethics he begins with basic christian convictions about the reality of god and human redemption and weaves these convictions into the fabric of moral concerns that are widely shared in contemporary society he takes note of the problems that arise when christians try to act on or enforce their convictions in a pluralistic society and recognizes the variety of theological and moral beliefs that are held within the christian community as well as in the wider society

a few years ago the first distinction that ethicists drew was the line between christian ethics and philosophical ethics however in our global context christian ethicists must now in addition compare and contrast various ethics christian ethics has become increasingly multivocal not only because of a plurality of faiths but also because of a plurality of christianities in light of these new realities this book will introduce christian ethics it will lay out history methods and basic principles every student must know the author also will include case studies for further explanation and application

this book is a college level introductory textbook in christian ethics it introduces the field of ethics and a variety of approaches to its study the book is written for college students and is designed to help them develop a method of dealing with the thorny moral issues

this book engages christian love theologies feminist economics and political theory to identify elements of a christian ethic of dependent care relations

a biblical historical philosophical and theological guide to the field of christian ethics written in an accessible and animated style this is the essential text for students of ethics

freedom and purpose is a contemporary introduction to christian ethics in the roman catholic tradition christian ethics is presented as a distinctive contribution to a universally human task

grounded in the love of god revealed in christ and deriving its distinct contours and motivation from the shape of christian revelation from back cover

in christian ethics a short companion renowned ethicist gilbert meilaender makes the case that all christian ethics are an outworking of this command to love one another

christian ethics christian ethics an introductory reader the selection of readings is excellent and i d happily have my students devour them esther reed university of exeter clear sharply focused and precisely what is needed this book is enlightening and potentially transformative it presents christian ethics as an exciting theological enterprise and offers a rich deep and accessible way of practicing ethics john swinton university of aberdeen wells and quash have put together a wonderfully comprehensive survey of christian ethics while at the same time offering a distinctive and fresh perspective with the array of primary texts and judicious and very well informed commentary that the two volumes represent they have succeeded in constructing an extremely valuable resource for teachers and students of christian ethics michael s northcott university of edinburgh of introducing christian ethics and christian ethics an introductory reader christian ethics an introductory reader provides a comprehensive anthology of primary documents and materials relating to the emergence and study of key approaches to christian ethics the volume seeks to encompass the entire canon of christian ethics including first hand accounts from major figures in the theological and ecclesial tradition readers are introduced to foundational figures such as augustine aquinas luther calvin and barth as well as contemporary voices including rosemary radford ruether james cone jürgen moltmann stanley hauerwas oliver o donovan wendell berry and many others other notable figures not usually associated with the study of formal theoretical ethics such as gandhi and martin luther king jr are also represented the significance of each extract is summarized through useful introductory sections placing the author or text in the context of broader developments in christian ethical theory whether it is used independently or alongside the accompanying textbook introducing christian ethics this engaging and informative volume offers students a window into the fascinating evolution of christian ethical thought
